The Honorable Louise Slaughter  
Chairwoman  
Committee on Rules  
United States House of Representatives  
Washington, DC 20515

Dear Chairwoman Slaughter:

On behalf of the Credit Union National Association (CUNA), I am writing regarding the Kilroy Amendment (#105) to H.R. 4173, the Wall Street Reform and Consumer Protection Act. CUNA is the largest credit union advocacy organization, representing nearly 90% of America's 8,200 state and federally chartered credit unions, and their 92 million members.

We have significant concerns regarding the Kilroy Amendment, which would create a mutual national bank charter and mutual national bank holding companies. This issue has not been addressed by the Financial Services Committee, and the ramifications of the amendment have not been completely considered. As a result, we would hope that the Rules Committee would not make the Kilroy Amendment in order under the Rule providing for consideration of H.R. 4173.

On behalf of America's credit unions and their 92 million members, thank you very much for your consideration.

Sincerely,

A handwritten signature in black ink that reads "Daniel A. Mica".
