Tips for How to Use the Crossword Puzzle

The International Credit Union Day® Crossword Challenge offers a fun way to brush up on your credit union knowledge. The answers to the crossword puzzle are ones that every staff member should know about credit union history, philosophy, structure, and more. Use these tips to maximize staff engagement:

1. **Make it a competition**
   Everyone loves a little friendly rivalry. Why not get your staff involved in some ICU Day educational fun by turning the crossword puzzle into a competition? Have each staff member complete the puzzle. The one who gets the most answers correct (without cheating of course – no Googling allowed!) wins a special ICU Day-themed prize. If your credit union is full of ICU Day smarties, and multiple staff members get all answers correct, enter their names into a drawing and select one lucky person to win the prize. We suggest: The Torch Tumbler, Color Block Ceramic Mug, Deluxe KOOZIE® 6-Pack Cooler, or an ICU Day hooded sweatshirt.

2. **Make it a requirement**
   A very FUN requirement that is! Tell staff that in order to receive their ICU Day 2013 T-shirt, they must hand in a completed, error-free crossword puzzle. Encourage staff to work together to get your team talking about their credit union knowledge.

3. **Make it a team-building exercise**
   At an ICU Day staff planning meeting, have each member contribute to filling out the crossword puzzle together. Your colleagues will be chomping at the bit to answer questions and impress others with their credit union knowledge. Reward staff with a pizza party after the meeting is over.
