MAJORITY LEADER

Mr. Daniel A. Mica
Credit Union National Association
601 Pennsylvania Avenue, NW
South Building, Suite 600
Washington, D.C. 20004

Dear Mr. Mica:

It is my honor to congratulate the members of the Credit Union National Association for 75 years of dedicated customer service. With more than 92 million members across the nation, CUNA plays a major role in the financial services industry.

I was not surprised to learn of the immense growth that CUNA has enjoyed over the decades. The establishment of this association in the wake of the Great Depression and passage of the Federal Credit Union Act signifies the determination of its members to provide quality financial service to its customers. At a time when millions of American families struggled to regain financial stability, the founders of CUNA developed a constitution principled by individual utility and communal allegiance.

Thus, it is with great appreciation that I applaud the Credit Union National Association for its 75th Anniversary. On behalf of all Nevadans, I am pleased to extend my best wishes to CUNA for another 75 years of successful service.

Sincerely,

A handwritten signature in black ink that reads "Harry Reid". The signature is written in a cursive style with a large, prominent "H" and "R".
