

Become a Certified Credit Union Advocate

Take These Online Courses Join the Credit Union Advocacy Corps!!

Take these 4 courses and become a better spokesperson for the credit union movement: Communicating the Credit Union Difference, Direct Lobbying at the Grassroots Level, Campaign Involvement and Public Affairs & Communication Strategies

Learn how to become more politically active by enrolling in free online training courses. Through these courses you will learn:

- About the credit union system & how we differ from other financial institutions
- How to talk to your elected officials in an effective and positive way
- How to become involved in local elections and motivate your membership to vote
- How to get your message out to your members, the local community and elected officials
