

What Beats 0% Financing?

A rebate with a credit union loan may save you more than 0% financing on your next auto.

3.95% APR* Beats 0%—Really!

Fewer than 1 out of 10 people who want 0% financing get it. And if you take the 0%, you give up the rebate—which usually is the better deal along with a credit union loan.

Get a better deal at your credit union.
