

Thank You for
Using the Credit Union

Compare & Save

A \$6.0 billion benefit—that's what U.S. credit union members save annually compared to bank customers:*

- \$4.3 billion in lower interest paid on loans
- \$1.0 billion in lower fees
- \$0.7 billion in higher earnings on deposits

Do the math and see how much you could save by refinancing at the credit union.

*Source: CUNA Economics & Statistics, 2013

Do the math:
CU > bank

The more you use the credit union, the more you save.
