

BROUGHT TO YOU BY YOUR CREDIT UNION

changing \$ 25 to \$125. Note, if the amount spelled out and in numerals disagree, the amounts spelled out rules.

- **Develop a form of your name to use only when you sign checks and other documents.** For example, if you're known as "Ed Miller," reserve "Edward Miller" for share drafts. With this special signature on file and on your driver's license or similar identification, anyone who presents your draft for payment with any other form of your name will be suspect.
- **If you make a mistake, write a correction and initial it.** If it gets messy, rip up the check, mark it "void" in your register, and start over.

The staff at your credit union can answer your questions and help you develop good share draft habits. Just ask.
